On the Business Unlimited 12, 35, 60, and 100 service plans, after 75, 75, 150, or 200 GB of data usage, respectively, Viasat may prioritize your data behind other customers during network congestion. Video streaming quality on the Business Unlimited 12, 35, and 60 plans is typically 480p, the Business Unlimited 100 plan is typically at 720p. For metered service plans, extra charges apply for data used in excess of the monthly data allotment. Minimum 24-month service term. Early termination fee is \$15 per remaining month in minimum service term. One-time standard installation fee is \$300.00. All fees are subject to taxes. Speeds and streaming video qualities are "up to," will vary and are not guaranteed. Service is not available in all areas. All offers may be changed or withdrawn at any time.
