

## Off-the-shelf product End-of-Sale Announcement for Viasat's KG-200R and KG-200M

Viasat, Inc. announces the off-the-shelf end-of-sale dates for the Viasat KG-200R and KG-200M. The last day to order the affected product(s) as off-the-shelf offerings is September 30, 2018. Customers with active warranties will continue to receive support from Viasat as shown in the table below. The table describes end-of-sale milestones, definitions, and dates for the affected product(s). For customers with active and paid extended warranties, support will be available through the funded duration in accordance with the terms of those extended commercial warranties.

Please note that ViaSat will continue to evaluate the sale and support of these products under existing contracts with our customers.

Milestone	Definition	Date
<b>Announce End-of-Sale</b>	Date of off-the-shelf product end-of-sale announcement	April 4, 2018
<b>End of Sale</b>	The last date to place a purchase order for the products	September 30, 2018
<b>End of Extended Warranty Sale</b>	Last date to extend active warranties, up to one additional year	September 30, 2018

### Replacement Product Options

Viasat is in discussions with a few customers for the next generation of a replacement product. Viasat will announce any new plans as soon as they are definitized. Customers may contact Viasat directly to explore options/programs for future data-at-rest encryption needs. For more information, contact Viasat Sales as noted below:
